PER CURIAM:

Frederick Lawrence Washington appeals the district court's order denying his motions to reconsider. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Washington v. North Carolina, No. 5:09-hc-02068-D (E.D.N.C. May 3 & Nov. 3, 2011). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
